

The results are IN! The residents have SPOKEN! The fire district's email list sent out 770 emails (Of that number 472 were opened... Not sure what happened to the others.) Of the 472, there were 284 responses, a **60%** return. **An outstanding response!!!! Council members!!! Do you Hear That!!**

Here are the statistics for the questions for the **Total of 284 responses**

	Yes	No	Percent Yes	Percent No	
Question 2 Do you live in Bonnet Shores during the summer months	273	11	96	4	
Question 3 Do you have a mooring at Little Beach	25	259	8	92	
Question 4: Do you or would you or members of your household use Little Beach for water activity (sunbathing, boating, kayaking, paddle board, jet ski)	204	80	72	18	
Question 5: Would you be in favor of the Bonnet Shores Fire District allocating \$50,000 for this project?	210	74	74	26	
Question 6: Would you be willing to invest personally for these studies if the BSFD decides not to budget or does not budget enough for these studies?	137	147	48	49	
Question 7: If yes, what would you be willing to contribute with the understanding that your donation would be specific for these studies? There were 137 who responded Yes to Question 6.					
Under \$200	\$250	\$500	\$1,000	\$1,500	More than \$1,500
53	49	23	11	1	8

The total amount of estimated contributions based on this survey is \$58,850.

The committee is thrilled with the response and we expect that the Council will follow the will of the residents.
