**Public Comment**

Carolyn DiLeo complimented the Little Beach clean-up recommendation and indicated that \$5,000 in disposal fees should be added to the budget.

Robert Patterson commented that mooring fees should be raised to fund the Little Beach clean-up. He indicated he was one of the plaintiffs in the lawsuit against the Fire District and that the lawsuit could have a significant financial impact on the community.

Tom Natale commented that the Little Beach clean-up money would be money well-spent.

Mike Tortolani commented that he needed the council to act on the increase to the ramp fee. A. Langer **moved**, seconded by C. O'Donnell, to raise the boat ramp fee from \$50.00 to \$60.00 for the 2021 season. The motion was approved, 4-0, with C. Mannix abstaining.

Joe Iannucci commented that the boaters did not request the council to clean up Little Beach and that their mooring fees should not be increased to fund that clean-up.

Dave Comorosky stated that the \$200.00 mooring fee is a bargain.

**Adjournment**

C. Mannix **moved**, seconded by M. Bellini, to adjourn the meeting. The motion was approved, 5-0.
